

## J. J. DeLuca Company, Inc.

Project: TruMark Financial  
Location: Upper Darby, PA  
Client: TruMark Financial Credit Union  
Completion: March 2008  
Value: \$950,000  
Architect: The Knabb Partnership  
Description: This 2,500 SF one-story bank has lofted mechanical space and work included the excavation of rock to build a retaining wall 18' high. The project required coordination with security construction specialists. TruMark Financial Credit Union is connected to Bond Shopping Center, a retail project also completed by J.J. DeLuca.
